Excerpt from Notes of Sites of Huron Villages in the Township of Tiny (Simcoe County) And Adjacent Parts: Prepared With a View to the Identification of Those Villages Visited and Described by Champlain and the Early Missionaries To the Honorable G. W. Ross, LL.D. In accordance with the desire of various persons interested in the history and arch?ology of our Province, and more particularly of the country of the old Hurons, I submit herewith my notes on Huron remains in the Township of Tiny, which you have been kind enough to undertake to print. While engaged in other pursuits, I devoted considerable attention during the past twelve years to the collection of information regarding the Huron predecessors of the white men in this district, the results of which are partly included in the following notes. By your making provision for the publication of these notes, my work becomes in some degree a part of the more elaborate system carried on by Mr. Boyle of your department for the examination and collection of aboriginal remains throughout the Province. In the elucidation of this particular field, therefore, I trust these notes will prove of value and interest.
