

Strategies for Teaching Middle-Level General Music (Strategies for Teaching Series)

The purpose of the Strategies for Teaching series is to help music teachers implement the K-12 National Music Education Standards and MENC's Prekindergarten Standards. Hundreds of music teachers across the country participated in this project. Each publication focuses on a specific curricular area and a particular level. Each includes teaching strategies based on the content and achievement standards, a preface and an introduction, and a resource list.
