

The Boy to whom Concrete Spoke: ...If you care to listen, it speaks back

...what better way to get information than from the source itself, from more than a source, but a friend? Kekashiku couldn't have been any grateful; fate couldn't have been any fairer. To expect that the solution to our future worries hibernates in the mind of someone who believes less of himself, and yet big at heart! To realize that the answers we need are just a voice away...
